In an effort to try and make the season a more successful and pleasant experience for all, we have included some of expenditures for the year in one payment. This includes registration, pizza parties, team T-shirt, and some other miscellaneous items.

Please attend the meeting. This will help everyone plan their vacations and activities for the summer. In addition, We hope the schedule will allow you to choose a date that will be convenient for you to time a meet, work the swim table, assist in pizza parties, bake sales, awards, 50/50's etc. Once again, we thank you very much for your continued support and cooperation. Go Sharks!!!
